COMPANY PROFILE

## ABOUT US

Headquartered in India, with the focus to create innovative and integrated supply chain solutions, Ligerero Logistics is a well-established business having a globally competent office and distribution facilities around the planet.

Ligerero Logistics started from a humble office in Kolkata, India by experienced and passionate industry leaders.

With years of proven excellence in the freight and logistics industry, Ligerero specializes in providing a single window to a world of supply chain solutions.

From helping local or international traders venture into new global markets using our services, to handling the entire scope of international cargo transportation using our infrastructure and networks, we strive to create a personal & meaningful experience for our partners by going the extra mile, prevailing over expectations, and continuously striving to set global industry standards.

We take pride in crafting innovative, practical, and comprehensive solutions to our client's pressing challenges.

Our objective is to bring value to our customers through our comprehensive Logistics capabilities, but still be flexible to provide customized solutions to each customer to meet their unique business needs

**AT LIGERO LOGISTICS, WE GO THE DISTANCE FOR YOU.**

# WHY US

Mission Critical Logistics is like a game of chess. The right move at the right time coupled with intense working and foresight lands you in the right location. Ligerio Logistics operates as a third-party mission-critical logistics provider (3PL) for global customers.

**Reduced Costs**

**Instant Collaboration**

**Transparency**

**Seamless Support**

## MISSION

"Deliver beyond the customer's expectation by providing the most reliable and efficient Logistic Solutions"

## VISION

"We seek to be a premier, profitable provider of global supply chain services to help sustainable trade and commerce in key regions"

## OUR REACH

"Leverage upon our Global Reach to cover all major markets of the world. We have the ability to quickly address our client's need in even the most remote locations"

## OUR SERVICES

### AIR FREIGHT

When you have an experienced team of Air Freight Service specialists delivering on your daily priorities for time, space, frequency and cost, you have Ligerio Logistics brand of Personal Service.

We listen, learn and form a close partnership with you to identify your needs and understand your goals. Our standard Air Freight products and their customizable options bring added flexibility to your supply chain.

Whether we're taking extra measures for your sensitive cargo or giving you added supply chain visibility through our online tracking tools, Ligerio Logistics Air Freight experts are looking to build your trust as they look after your cargo. You can be rest assured that your cargo will reach safely when it is handled by the best us.

# OUR SERVICES

## SEA FREIGHT

When you have Sea Freight professionals matching frequent sailings and flexible service options to your specific business objectives, you have Ligerio Logistics brand of Personal Service.

Our freight management experts partner with you to learn your business first-hand. Equipped with an intimate understanding of your supply chain requirements, we pull from a range of standard Sea Freight products and supplementary options to secure the space allocation, timing, frequency and rates that fit your precise objectives.

Whether we need to reserve an oversize container or securely transport your high-value cargo, Ligerio Logistics Sea Freight specialists treat each shipment with the care and attention it takes to earn your trust.

## OUR SERVICES

### ROAD FREIGHT

When you have a trusted Road Freight partner who knows as much about your business goals as transportation issues in your region, you have Ligerero Logistics brand of Personal Service, providing cargo services in India and the Middle East.

Through clear communication, thoughtful collaboration and dedicated follow-through, our Road Freight management teams seek to understand your objectives and create solutions that deliver.

We combine simple, standardized Road Freight products with a host of customizable options to achieve the ideal balance of lead-time, capacity, frequency and cost. Whether it means providing same day delivery or hauling hazardous cargo, Ligerero Logistics freight specialists know the key to a successful supply chain is a committed relationship with our customer.

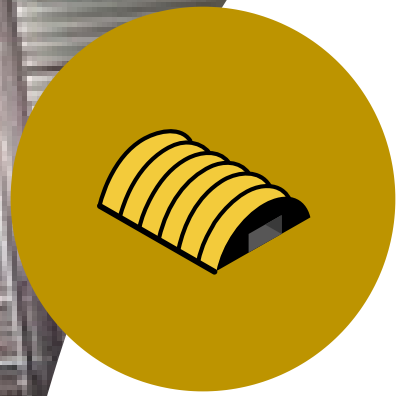

## OUR SERVICES

### CUSTOM CLEARANCE

A well-designed and well-managed customs clearance program reduces cycle times, improves shipment visibility and lowers cost. Local experts of our customs service enable timely and reliable movement of your goods through the customs process.

- We offer clearance in a consistent, timely and cost-effective manner by acting as a direct extension of your business to develop individual service programs that are uniquely tailored to your needs.
- Our licensed professionals are trained to handle all your customs clearance needs to the extent permitted by law. Our information system interfaces are connected to customs authorities, and where needed, we provide translation and classification for documents.
- Our global logistics network of local experts understands the nuances of their respective country's customs regulations, giving you the critical edge in expediting customs clearance and delivery of shipments.

---

## OUR SERVICES

### WAREHOUSING & DISTRIBUTION

Ligero Logistics experts combine warehousing and distribution, advanced systems and technology, as well as Value Added Services to customize your supply chain to meet your precise goals and requirements.

Our dedicated teams select and apply the exact resources you need to improve your business's performance and provide flexibility for a dynamic marketplace.

Our warehousing and distribution capabilities include full-service management. Backed by Road, Air, Sea and Sea/Air freight forwarding products, advanced technology and strategic facilities, our experts have the resources to put their plans into action. From consulting to overseeing delivery, Ligero Logistics does not rest until your products reach your customers' hands.

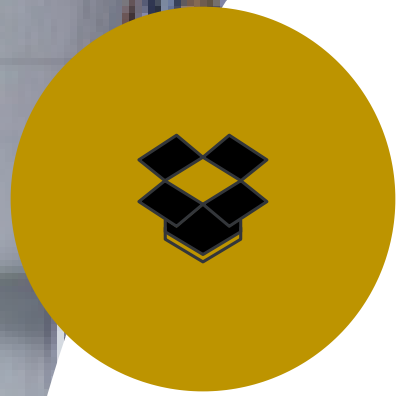

## OUR SERVICES PROJECT LOGISTICS

Integrated logistics and transport services for complex, oversized and extra heavy industrial projects shipments.

- Worldwide door-to-door ocean freight services for over-sized shipment via container vessels, barge and landing craft.
- Worldwide door-to-door air freight services.
- Land transport solutions starting from 12-meter up to 40-meter trailers covering GCC and India.

Our logistics experts have years of experience in assembling agile networks that keep costs low while making sure the right products get to shelves at exactly the right time.

---

## OUR SERVICES

### COLD STORAGE FACILITY

Cold logistics is complicated, but our goal is to make what's complicated feel easy to you and help you with allocation planning, reducing wastage and saving money. Ligerio Logistics will work hand in hand with your business; not just as a provider, but also as a partner.

Our Cold Chain facilities meet any seasonal, temporary or long term storage requirements with our state of the art controls of our operating temperatures, ensuring optimum temperature for goods.

We've built our logistics solutions, backed with a strong Warehouse Management System to handle your products like they were our own.

Reduce cargo shifting charges and avoid long queues and waiting charges by the trucking companies – as our facility is loaded at the quay side of the port, and municipality checks are done at the facility itself.
